CLASS PRE-REQUISITES

No experience necessary for Creative Tap or Tap Basics for the fall session. For higher levels, students must have completed at least one full year of the previous level (or equivalent) before advancing. Placement for current students is determined by instructor recommendation.

NEW / TRANSFER STUDENTS

New students beyond Tap Basics or transfer students hoping to join the Winter/Spring session must email the Dance Division Supervisor at kathryn.wilkening@nashville.gov to schedule a placement class.

AGE REQUIREMENTS

Students must be the minimum age by September 17, 2020.

PERFORMANCE OPPORTUNITIES

An observation class at the end of the fall and spring sessions serves as a time when the students can share what they have learned with their family members and friends. In addition, we are often invited by local organizations to perform for a festival or event and will organize a special performance for students and faculty who would like to participate.

CLASS LOCATION*

Centennial Performing Arts Studios (**CPAS**)

211 27th Ave North, Centennial Park

*Classes will meet online via Zoom until Phase 4 at the earliest. When we get the permission to hold classes in the dance studios again, the Dance Supervisor will send out the most current health and safety protocols including wearing a mask, social distancing (at 10 feet), and limited class sizes. For classes marked "Hybrid", we will have an online option available for students who choose to stay home and take class through Zoom.

DRESS CODE

Click "DRESS CODE" for information on dress code requirements for each class.

HAIR REQUIREMENTS

Hair should be pulled back away from the face.
